# National Sugar Institute, Kanpur

Organizes Webinar  
On

## Modern Trends in Automation to Enhance the Efficiency of the Sugar Factories

आज़ादी का  
अमृत महोत्सव

**AAZADI KA  
AMRUT MAHOTSAV**

Date : 09.07.2021

Time : 11:00 am onwards

Automation may play an earth-shaking role in achieving greater accuracy and efficiencies in sugar factories. A Systematic Economic Activity involves man - machine interaction to achieve greater efficiencies in the production. Corona (Covid -19) has also compelled us to think differently in managing processing and sugar industry is no exception. It is the need of the hour to think in different dimensions of automation and future possibilities to achieve greater efficacy at sugar factories. This webinar is being organized with a vision to explore the scope of on-going Instrumentation and Process Automation by which the efficiency of the Sugar Factories can be enhanced.

Registration Link :

<https://forms.gle/ZLoc9QEQHdHWbCA78>

Registration closes on : 07.07.21 by 12:00 hrs

Convener

**Shri Virendra Kumar**  
Sr. Instrument Engineer  
Ph. +91-9453116374  
Email: virendra.kumar89@gov.in

Co-ordinator

**Shri Brajesh Singh**  
Technical Officer (Instrument Engg.)  
Ph. +91-9695613041  
Email: brajesh.singh83@gov.in

Link for the session will be shared after registration is completed.
